## INSTITUTIONAL MEMBERSHIP

### MEMBERSHIP VALUE

LGBTQ Leaders in Higher Education is the only national organization dedicated to developing LGBTQ leadership and advocacy in higher education. Institutional Membership strengthens leadership capacity, supports retention, and advances inclusive excellence—delivering professional development benefits across the institution. Your membership also sends a message that you support LGBTQ+ faculty, staff, and students.

### PROGRAMS

We provide programs and services that engage hundreds of leaders and institutions around the country through virtual and in-person outreach and education programs. Our programs include webinars, fellowships, one-on-one & group mentoring, community engagement, DEI advocacy, networking, and our annual conference: The Leadership Institute.
