

LGBTQ LEADERS

in Higher Education

2026

PARTNER OPPORTUNITIES

LGBTQ Leaders in Higher Education is the only national organization dedicated to developing LGBTQ+ leadership and advocacy in higher education. Our institutional and individual members come from around the United States. They are leaders and decision-makers—from **Presidents and Provosts, to Deans and Department Chairs**—representing all sectors of higher education. We provide programs and services that help our members provide effective leadership while remaining their true, authentic selves.

We engage hundreds of leaders and institutions each year through virtual and in-person programs and outreach. Our programs include webinars, one-on-one mentoring, advocacy, networking, and our annual conference: **The Leadership Institute**.

By partnering with us, your company will have direct access to influential administrative leaders at college and universities across the US, including our **Council of Presidents**. Your brand will be celebrated and recognized throughout the year!

The Time to Support & Expand Diverse Leadership is NOW

Leadership can be lonely. Especially when you're the only LGBTQ+ person in the room. LGBTQ Leaders in Higher Education connects professionals across the academy to build community, mentor one another, and strengthen leadership.

As a small nonprofit organization, we need like-minded advocacy partners like you to fund our programs that support these leaders.

We work to safely lift up the next generation of leaders and prepare them to lead fearlessly.

LGBTQ+ Leaders of Color

Out & Authentic Leadership Institute, 2024

THE LEADERSHIP INSTITUTE

Oct. 13-15, 2026: Partners, welcome! Our signature program is hosted by the **Stockton University** at their **Atlantic City, NJ** campus, right on the Boardwalk! The location is accessible by Atlantic City International Airport (ACY). Located just twelve minutes from downtown Atlantic City and serviced by Spirit Airlines, Allegiant and American Airlines. The program will be held at Stockton with lodging provided by the **Tropicana**.
